## Here are some important regulations to remember:

- An early learning provider must allow parents or guardians access to their child during normal hours of operation, except as excluded by a court order. WAC 110-300-0085(4)(f)
- An early learning provider must communicate verbally or in writing [with a child's parents or guardians]:
  - (i) Changes in drop-off and pickup arrangements as needed; and (ii) Daily activities. WAC 110-300-0085(4)(g)
- If a child suffers from an allergic reaction, the early learning provider must immediately:
  - (a) Administer medication pursuant to the instructions in that child's individual care plan;
  - (b) Contact 911 whenever epinephrine or other lifesaving medication has been administered; and
  - (c) Notify the parents or guardians of a child if it is suspected or appears that any of the following occurred, or is occurring:
    - (i) The child is having an allergic reaction; or
    - (ii) The child consumed or came in contact with a food identified by the parents or guardians that must not be consumed by the child, even if the child is not having or did not have an allergic reaction. WAC 110-300-0186(3)
- At the first opportunity, but in no case longer than twenty-four hours of learning that an enrolled child, staff member, volunteer or household member has been diagnosed by a health care professional with a contagious disease listed in WAC 246-110-010(3), as now and hereafter amended, an early learning provider must provide written notice to the department, the local health jurisdiction, and the parents or guardians of the enrolled children. WAC 110-300-0205(6)
- If an early learning program is served by a private septic system, the septic system must be designed, constructed, and maintained in accordance with state and local health jurisdiction requirements. WAC 110-300-0250(1)
- An early learning provider must notify the department prior to making a change to early learning program space that may impact the health, safety, or welfare of enrolled children. Such changes include but are not limited to:
  - (a) Moving early learning programs to a different, residence, building, or facility (even if the new location is on the same premises);
  - (b) An early learning program altering a planned use of space including, but not limited to, the ages of children served in a room or previously unlicensed areas;
  - (c) Modifying facilities in a way that requires a permit under the Washington state building code or by a local jurisdiction, such as remodeling or renovating early learning program space; and
  - (d) Changing outdoor play areas, such as adding or altering the type of surface or altering stationary climbing or play equipment. WAC 110-300-0402(1)

An early learning provider must submit to the department the new proposed floor plan prior to making changes under subsections (1)(a) through (c) of this section. WAC 110-300-0402(2)

- Licensee, center director, assistant director, or program supervisor must notify the department within thirty calendar days when liability insurance coverage under RCW 43.216.700 has lapsed or been terminated. WAC 110-300-0425(12)
- An early learning provider must notify the department when changes are made to these written policies:
  - Staff policies. WAC 110-300-0110
  - Emergency preparedness plan. WAC 110-300-0470
  - Health policies. WAC 110-300-0500
  - Parent handbook (WAC does not require department notification when changes are made to this document, but DCYF recommends it to ensure any changes to policy meet licensing requirements) WAC 110-300-0450
