## Risk Assessment-Recidivism (Females)

Notes		
Does not include offenses committed while in JRA		
Most serious offense		
Does not include offenses committed while in JRA		
used to come from DMHS, 8/1 comes from the ITA		
used to come from the DMHS, 8/1/ comes for the ITA		
age at min release		
These two are combined as one Score you are only going to get 0 if you are some form of Vulnerable		
Not sure about these two defaults. Currently I default to 40
