POL 10.1.11 REQUESTING FIRE INSPECTIONS

This policy applies to DCYF requesting fire inspections from State Fire Marshal's Office (SFMO).

1. DCYF Will Only License A Center Or School-Age Program With An Approved Fire Inspection From the SFMO Except:

- If a school-age program submits an application to operate on public and private school premises, a SFMO fire inspection is not needed if the school was open and occupied by children within in past year.

2. DCYF Will Submit Fire Inspection Requests Per *DCYF 15-905 Request for State Fire Marshal Inspection* Including:

- Consultations
- Initial Licenses
- Environmental Change
- Critical Assessment
- Fire and Life Safety (FLS)/Change of Ownership
