FY24 Contract Amendments

- HVBAT
- Rescue/Concrete Goods
- Timeline – Aiming to start early November

MIECHV / HVBAT

for those programs with HVBAT in your FY24 contract

- We are NOT asking for HVBAT this year, even if it's in your current contract
- Upcoming Contract Amendments will
 - remove HVBAT language in the SOW
 - Remove the HVBAT \$5000 incentive
 - *[internal: Reallocate unspent MIECHV FFY21 to MIECHV FFY22]*

Rescue Updates to FY24 Contracts

- Amendments will add
 - Language in SOW to support “rescue” work
 - Rescue funds (MIECHV and State) will be added to budgets
 - To Be Determined: If/How much for Workforce Incentives
- Dollars will be distributed according to your current contract # slots (by state funding combined & MIECHV)
- May include some combination of concrete supports and workforce incentives
