

Early Childhood Education and Assistance Program (ECEAP) Services by Legislative District

ECEAP services were designated essential by Gov. Inslee in the “Stay Home, Stay Healthy” order issued in response to the COVID-19 outbreak. As a result, essential ECEAP services continued throughout the pandemic.

Statewide, a handful of ECEAP sites continued essential in-person ECEAP services from the beginning of the pandemic until the end of the contract year on June 30 or for a major portion of those weeks. Sites that remained open followed Department of Health (DOH) guidelines to ensure safety of children, families, and staff.

All contractors, regardless of whether or not they kept classrooms open, continued to provide services to 14,000 ECEAP children and their families across Washington State in a wide variety of ways, through increased Non-Traditional/Modified Services. For more information, go to www.dcyf.wa.gov/sites/default/files/pdf/ECEAP_NonTraditional_Modified_Services_COVID19.pdf.

These services provided remote learning options and resources including food, education, health and safety, parenting, economic, and mental health supports. You can learn more about how ECEAP continued to provide essential services during COVID-19 as well online at www.dcyf.wa.gov/news/how-eceap-continued-provide-essential-services-during-covid-19.

ECEAP staff increased their visits and points of contact and connection with families to decrease isolation and risk. Given the ongoing pandemic in 2020-21, ECEAP contractors are working to provide an array of services that best meet the needs of children, families and communities across Washington. They continue to follow DOH and local health and tribal jurisdiction recommendations. This includes a goal of safely serving all children in-person and providing hybrid and non-traditional remote services (NTRS). Follow this link to learn more about the most current slot numbers related to services: www.dcyf.wa.gov/sites/default/files/pubs/EL_0027.pdf.

If you are interested in learning more, please contact ECEAP at eceap@dcyf.wa.gov.
