

COVID-19 Guidance – What to Follow

During the COVID-19 crisis, many state and local agencies are charged with managing emergency response. It can be hard at times to know who or what to follow. The following chart is intended to help you navigate this.

Its important to remember, alignment across organizations takes time and a lot of conversations. Information is updated regularly by all of these agencies to adapt to the progressive changes as we work through COVID-19 response strategies.
